

EVERYTHING HEALTH

Medical Transport Service

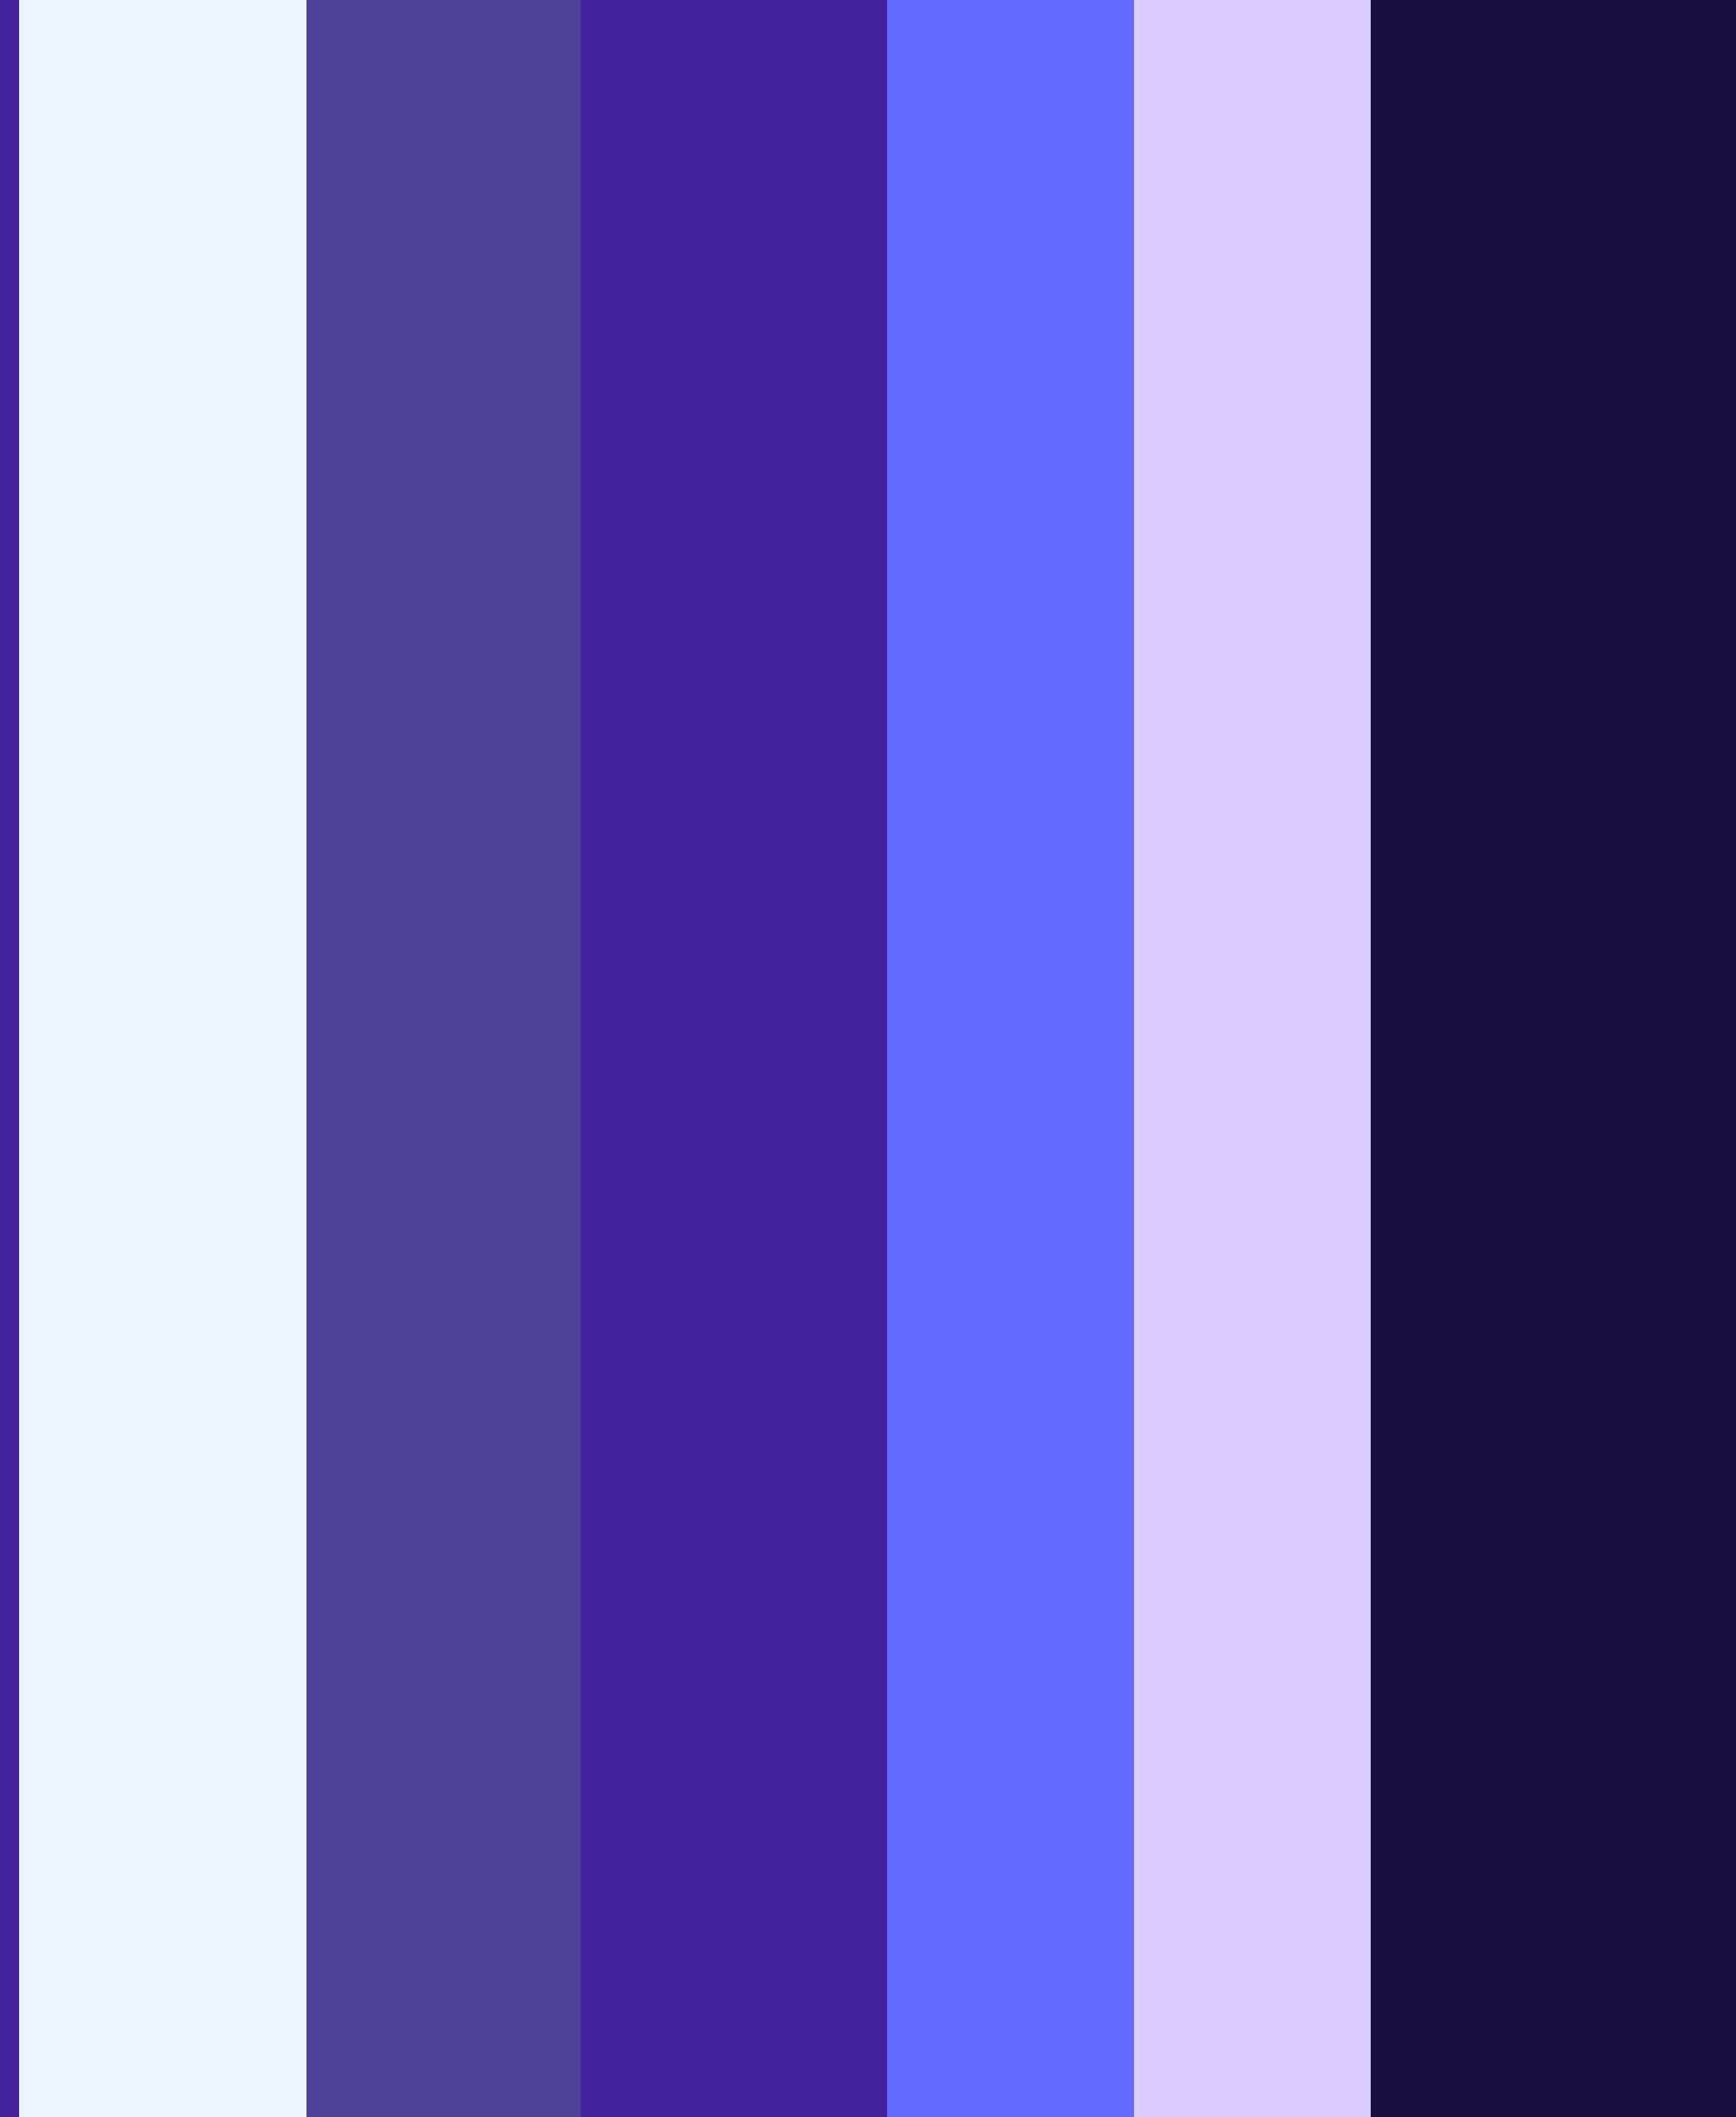

Mission Statement

EVERYTHING HEALTH understands the struggles of trying to get around when you are a senior citizen, disabled, recovering, or homebound. Therefore, we aim to provide reliable non-emergency medical transportation services that are convenient and dependable. Whether you are on your way to a doctor's appointment or returning home from a chemotherapy session, we can drive you safely and comfortably. You can rely on us to get you to your destination reliably, safely, and on time.

Color

EVERYTHING HEALTH's brand color palette primarily consists of purples and blues, complemented by a few accentuated colored elements to enhance the visual appeal of the graphics.

Typography Usage

EVERYTHING HEALTH’s logo and website feature the Proxima Nova typeface, while the body paragraphs on the website utilize the Varela Round regular font. Employing the same typeface for headers as the logo not only strengthens the brand’s identity but also establishes a sense of familiarity for users, reinforcing positive associations.

Imagery

Given EVERYTHING HEALTH’s primary focus on Non-Emergency Medical Transportation, our imagery prominently features roads, hospitals, graphic elements, patients, and other relaxing visuals. The abundance of graphic elements integrated into the website and advertising draws inspiration from these images. Additionally, the selected visuals play a crucial role in creating a vivid portrayal of the organization’s theme and resonating with the target audience.

COMPANY BIO

EVERYTHING HEALTH partnered with Miracle MTS, established in 2021, operates a fleet of 18 vehicles, which includes 15 wheelchair transport vehicles and 3 ambulatory(sedan) vehicles. The companies are owned by 3 individuals, have 3 dispatchers, and employ 18 drivers. EVERYTHING HEALTH and Miracle MTS are dedicated to providing Non-Emergency Medical Transportation (NEMT) services, ensuring safe and reliable transportation for individuals with medical needs. The specialized services cater to non-emergency medical requirements, offering various mobility options, including wheelchair-accessible vehicles. Ancillary services provided by EVERYTHING HEALTH and Miracle MTS include appointment reminders, scheduling coordination, and door-to-door assistance. By bridging the transportation gap, EVERYTHING HEALTH and Miracle MTS help individuals maintain their independence and gain access to essential healthcare services while prioritizing safety and comfort.

CORE COMPETENCIES

Ambulatory Transport: Non-emergency transport for patients that can walk on their own or with driver's assistance.

Wheelchair Transport: A specialized service that provides safe and comfortable transportation for individuals with mobility challenges, utilizing vehicles equipped to accommodate wheelchairs.

Medical Courier: Transporting medical specimens, samples, equipment, or documents between healthcare facilities, laboratories, clinics, and other healthcare-related locations while ensuring the safe and timely handling of sensitive medical materials.
